

Dear Parents and Carers,

Our term is now well underway. The children appear to be pleased to be back at school and are keen to learn.

We are developing our Exploratorium (the old IT suite) and have some blue wheelie chairs to dispose of – if you would like one please come and ask at the office and you can take it home with you, first come first served. We also have some wired keyboards and mice which are free to a good home. There is a limited supply of flat screen monitors which we are selling at a cost of £30 each. Again, please contact the school office if you are interested in purchasing these.

FFA – Wednesdays after school - Delaney is delighted with the number of children signed up for the FFA club after school. We ask that if you are the parent of a Year 1 child, and can help to get them changed that you do this in the school hall. However, once your child is changed you will need to leave the school site so that the gates can be locked to ensure that none of our children can leave the premises and only adults who are school staff or running the club are on the site. Delaney will open the car park gate at 4.40pm to allow parents into the field area to collect your child, we ask that you do not go through the school at this time as we still have children in our after school club in the building. Thank you for your support in keeping all of our children safe in school.

Parent and Community Volunteers - We appreciate support our volunteers give to us. We will be holding a training session for any parents or members of the community who wish to volunteer in our school, on Tuesday 20th September at 2.45pm. Please let the school office know if you are able to attend. Thank you.

Hotshots Taster Session – Tuesday 20th September. Children in Years 1-6 will be attending a Hotshots Basketball taster session during the day on Tuesday. The clubs will then start the following week, your child will be given an application form if they wish to attend, this must be returned to the school office as soon as possible as places will be allocated on a first come first served basis.

Shining Stars – we are hoping to take delivery of our new building on Tuesday 11th October. A massive thank you to Mr Fryer of Radius Crane hire company for installing it for us free of charge. We expect that the new building will be ready to open after half term. By the end of next week, we will have contacted the people who have applied for a Shining Stars place later in the year. Demand has been very high this year and we want to make sure that all of our existing children and those who start in September have taken up the places we have offered.

Reception 2017 - If you have a child due to start school next year, we have put details of our Open Days on our website, please contact the school office to book a place.

Reminder – Just a reminder not to park in our staff/visitor car park, to keep our children safe, at any time including after-school clubs and PALS.

Thank you
